LOUISVILLE METRO COUNCIL DISTRICT 14

RESTORE SOUTHWEST LOUISVILLE

- Supports investing in more officers for our neighborhoods and increase safety for all
- Oppose more taxes and larger Metro Government
- Will work on bringing quality development and meaningful employment to our area

INVEST IN THE SOUTH END AND DISTRICT 14

- I will fight for more funding that's needed for our protection, drainage, and growing businesses
- We need someone willing to stand up and demand shared focus on our community

YOUR PRIORITIES ARE MY PRIORITIES

Safe streets, investment in our children, jobs, care for our elderly, honoring Veterans, our Police and all First Responders. I Will be YOUR voice, I work for YOU.

“For too long District 14 has been neglected. We deserve much better. I will listen, I will lead, and I will be your voice to enrich and protect District 14.”
